

Nurse Professionals Home Care, L.L.C.

Nurse Professionals Home Care, L.L.C. is a local provider of compassionate, in-home supplemental care for seniors and others in need of our specialized services. Nurse Professionals Home Care, L.L.C. promotes health and independence for seniors while offering support for their family and friends. Our company will take the time to meet with every family to understand their needs and make sure our caregivers deliver the best services.

Nurse Professionals Home Care, L.L.C. is licensed for both pediatric and adult care.

Some of our services include:

- personal assistance with daily living tasks
- elderly companionship and conversation
- monitor diet and eating
- stimulate mental awareness
- provide medical reminders
- discuss current and historical events
- play games or cards
- make crafts
- read paper or religious material
- assist with bills pay
- status reporting to family
- nurse assessments
- gastrostomy feedings
- wound care
- IV Therapy
- T.P.N.
- skilled nursing care

If desired, caregivers can also provide these services:

- assist with ambulation
- assist with pet care
- cooking, light housekeeping
- geriatric case management
- help with bathing
- dressing and grooming

Please contact us today to discuss your particular needs for home health care of your loved one. We can be reached 24 hours a day 7 days a week at 443-664-6915.

We schedule a care provider based on your loved one's need for service. Our caregivers can come to the home or senior care facility to provide any or all desired services. We provide a care binder with all important medical information.

Many seniors depend on home care assistance to remain independent as they grow older. Our services allow your loved ones to live safely and comfortably where they most want to be, in a home setting.

Nurse Professionals Home Care, L.L.C. is licensed as a Residential Service Agency by the Maryland Department of Health and Mental Hygiene's Office of Health Care Quality. Our license number is: R2856.

We are committed to provide quality in-home care

Nurse Professionals Home Care, L.L.C.

NURSE PROFESSIONAL STAFFING SOLUTIONS:

At Nurse Professionals, we make nursing staffing easy by providing qualified RN, LPN, GNA and CNAs to meet your facilities unique needs. We are dedicated to staffing clinically competent nurses to fill a variety of facility shifts, including per diem, temp-to permanent and contract assignments. All R.N., L.P.N.'s, CNA and GNA's contracted through Nurse Professionals Home Care L.L.C. go through a stringent set of employment requirements including a background check, pre-employment physical and drug screen. All employees are bonded and insured and the best the nursing field has to offer. We have the qualified staffing that you need!

Advantages of choosing Nurse Professionals for nurse staffing:

- **Thorough Screening Process**- We have developed a detailed pre-employment screening process, which includes competency tests and skills checklists as well as thorough background check and pre-employment drug screening. This stringent process helps us select only the top nurses for your facility placement.
- **Around the clock accessibility**- We have our staffing consultants and RNs on call 24 hours a day, 7 days a week to provide our clients with timely and efficient service.
- **Dependability**- One of Nurse Professionals strengths is dependability. We are able to recruit and maintain an abundance of nurses, which allows us to fill a large volume of your facility requests in a timely manner.
- **Cost Effective Strategy**- The medical facilities that we staff are able to eliminate thousands of dollars a year by eliminating recruitment fees from their budgets. These fees include placing advertisements and valuable time spent reviewing resumes and interviewing candidates.
- **Tradition**- Nurse Professionals is a company with many years of staffing expertise. Our name is well-known in the healthcare industry and is synonymous with quality service.

Our recruiting techniques and our 24/7 support provide Nurse Professionals with a distinct advantage in the healthcare industry.
